

RARE.

Roseda Farm's

GENETIC OPPORTUNITIES

RARE.

We are consigning some of our elite females to the **Virginia Beef Expo on April 13, 2001** and the **Maryland Angus Sale on May 5, 2001**. We essentially allowed the sale committee to pick from our spring calving cows. As you evaluate our offering, you will find that **these cows and their calves offer some of the best carcass genetics available in the Angus breed.**

Roseda Miss Madge 036 9702 was featured in our December *Angus Journal* ad and her first bull calf sired by GT Expo was featured in our March ad. We are selling a flush at the VA Beef Expo where she and her 2-24 bull calf by RP 3rd Bushwacker will be on display.

Roseda Flora Design 9848 is an outstanding B/R New Design 323 daughter selling in the VA Beef Expo. Her GT Expo heifer calf has some of the best carcass EPDs in the breed with a Marbling EPD of **1+.59** and %RP EPD of **1+.9**. A flush mate **Roseda Flora Design DD 9865** is selling in the MD sale and also has a GT Expo heifer calf at side.

Additional Information:

We can't get all the information in this ad, but we'd be happy to send a sale book for either or both sales. These cows are available for inspection at Roseda Farm.

We are working on a web site and hope to have these cows included by the time you read this. We also have a sale book listing on the *Angus Journal's* web site.

Call and let us know how we can assist you.

Virginia Beef Expo - Genetic Investment Sale - April 13, 2001

Roseda Miss Madge 036 9702 • Reg No. 12949193 (036 x Sleep Easy x Scotch Cap)
